How can they hear?

Won't you be the someone to tell them?

Southern Cross Project uses volunteers of all ages: individuals, families or teams. God can use you to get His Word into the hands and hearts of Chinese tourists.

Volunteer with Southern Cross Project:

-  Come spend a day, a week or a month with long-term workers in East Asia.
-  Pray for the work of Southern Cross Project.
-  Give to Southern Cross Project so more can hear.
